Athens Nurse Triage

Telephonic Nurse & Mobile First Aid Services

Athens Administrators' Nurse Triage program ensures your employees receive the right care, each and every time. The Athens Nurse Triage service allows your injured workers to receive immediate, 24/7 quality care from registered nurses and mobile technicians for optimal results.

ATHENS NURSE TRIAGE

Athens Administrators provides Nurse Triage services with specialized solutions tailored to meet your unique needs.

SIMPLICITY

- When an injury occurs, simply call our dedicated toll-free number at the time of the incident.
- Nurses are available 24 hours a day, 7 days a week.

ATHENS BEST CARE

- Immediate access to our Registered Nurses.
- Our Medical Director oversees all processes, treatment protocols and guidelines.

ATHENS CONTINUED SUPPORT

- Follow-up care provided to your employees, helping them get back to work sooner.
- Follow-up messages sent the next day to ensure your employees are getting the care they need.
- We utilize the best medical partnerships for your injured workers.
- Treatment referrals can be made to your established Medical Provider Network facilities.

ATHENS MOBILE FIRST AID

Athens Administrators offers Mobile First Aid Response Services, along with their 24/7 Nurse Triage Services.

SUPPORT

- Nurses will obtain a complete report of the incident and assess and triage the employee's injury, and if necessary dispatch a technician to the employee's work site for treatment. Technicians can provide first aid within OSHA guidelines on many common worplace injuries, such as:

  - *Abrasions*
  - *Lacerations*
  - *Hematomas*
  - *Avulsions*
  - *Burns*
  - *Foreign Body*
  - *Eye Irritation*
  - *Neck or Back Pain*
  - *Muscle Pain*
  - *Sprains and/or Strains*
  - *Extremity Injuries*
  - *Heat Illness*
  - *Unknown Illnesses*
  - *Slips, Trips, or Falls*

BENEFITS

- All services provided by Mobile First Aid support services do not result in an open workers' compensation claim.
- Mobile First Aid Support will reduce your workers' compensation and lost time claims even further.
